The Circle of Rotary - Living, Sharing, Giving

From The Governor

Have you considered the importance of every aspect of Rotary?
Can we understand that everything we do as Rotarians is as a
continuum or circle working together to enhance the lives of
Rotarians and non- Rotarians worldwide?

Rotary provides a platform for ordinary people to do
extraordinary things, to increase our social skills, to grow
professionally by using our skill sets to facilitate a project to
benefit our communities or to raise funds to meet humanitarian
needs locally and internationally.

Rotary brings out the best there is in a man or woman and taps
taps into our core beliefs of Service Above Self. The Circle of
Rotary increases the value of every Rotarian and will fulfill your
experience as a Rotarian.

CAP Grant Webinar - This Wednesday!

The CAP Grant Writing Webinar will be held this Wednesday, August 12th at 6:30 PM. Each club is eligible to apply for a CAP Grant of up to \$2,000 after attending a certified training session. Club Presidents, Foundation Chairs and Grant Writers are encouraged to attend the session. **Please contact Jill Walker (314-378-7888 or rotaryjill@sbcglobal.net) for sign on instructions prior to Wednesday.**

These clubs are eligible to submit a CAP Grant as they attended the seminar at the district conference in April: Ballwin Metro West, Cape Girardeau, Chesterfield, Cottleville/Weldon Spring, Crestwood/Sunset Hills, Jackson, Kirkwood, Lambert Airport, Perryville, St. Charles Sunrise, St. Louis, Sullivan, Washington and Webster Groves.

August - Membership & Extension Month

August is Membership & Extension Month! Did you know that only Rotarians have the ability to invite others to experience this great organization called Rotary. Healthy Rotary clubs sustain and grow their membership base - recruit, orient and retain.

Here are the goals for this Rotary year:

- Net 1 member by 3/31/2010
- 20% of members bring a guest
- 1 new alumni
- Increase diversity - 2 new members
- 80% Retention (of current membership)

By now, now, every club should have appointed and reported your club's MOD Leader(s) to Jill Walker and Mary Sue Thompson, the District's MOD Leaders (MODLeaders6060@gmail.com), who are also available for programs and/or consultation.

SARs & District Dues - Now Due

SARs (Semi-Annual Reports) and District Dues were to be remitted by July 31st. It is each club's responsibility to remit your club's Semi-Annual Report and International Dues to Rotary International and to send your club's District Dues to the district's treasurer. If you have not sent those (and they are separate items), please do so ASAP. Thank you!
