"The Future Of
Rotary Is In Your
Hands" and with
those words by
John Kenny,
Rotary
International

President , the theme and emphasis for the 2009-2010 Rotary year are before you. In Kenny's mind, every Rotarian and every club are the important elements for a successful year. "If that chain is to continue, every link must be strong, says Kenny. "It is our responsibility, yours and mine, to forge solid links to Rotary's future." "We see ourselves as part of a great Rotary tradition," said Kenny, "as links in a chain joining our future to our past."

From The Governor

As we enter week two of the Rotary year, I will begin Official Visits. I look forward to meeting with you, your board of directors and your clubs to hear the exciting plans you have for the year. If you have not heard from me, please contact me or have the Rotarian who schedules programs contact me by e-mail (jerry.weems@gmail.com) or by phone (573-218- 9573 / 573-631-1672) to schedule the visit.

SARs, District Dues Statements

Semi-annual reports have been mailed from Rotary International and District Dues statement will be sent this month. Reminder: these are two different reports but both are due this month. Please forward a copy of the completed SAR and check to myself and your Assistant Governor. Questions: please contact your Assistant Governor.

What's Going On?!?

Please let me and your Assistant Governor know of your club's activities, whether they be a service project, fundraiser or social event. I would be happy to attend and participate in as many of these as we can fit on the schedule. I will also be happy to help you promote as many of these activities as possible.
