The Circle of Rotary - Living, Sharing, Giving

From The Governor

October is Vocational Service Month and Rotarians are encouraged to to focus on this essential element of Rotary.

- Adherence to, and promotion of, the highest ethical standards in all occupations, including fair treatment of employers, employees, associates, competitors, and the public.
- The recognition of the worthiness of all useful occupations, not just your own or those that are pursued by Rotarians.
- The contribution of your vocational talents to solving the problems of society and meeting the needs of the community.

Here's a great way to get to know your fellow Rotarians in your

ROTARY DAY - RAMS
MEMBERSHIP
OUR ROTARY
FOUNDATION
CAP GRANT WEBINAR

club: Introduce "classification talks" in which each member gives a five-minute talk on his or her vocation. This puts each Rotarian on the same level, irregardless of their service time in Rotary and will create a bond among the members in your club.

Other great benefits are to promote vocational awareness among Rotarians and help them recognize the worthiness of all useful occupations while probably learning some very interesting insight to each Rotarians vocation.

"Hey Man, What's Shakin' In Your Crib"

Hey Man, What's Shakin' In Your Crib: A Look At Generational Differences is the title of the next district Webinar. What's it about? One of the major challenges for every club is communicating and meshing generational differences. Whether this challenge comes from age differences or mind-sets, communication is important in "doing Rotary" from recruiting & retention to engaging members in our clubs.

The webinar is suitable for Rotarians and non- Rotarians and would make an excellent opportunity to expose everyone to communication techniques for approaching generational differences in organizations and the work place.

The webinar will be held on the following dates: Tuesday, Oct. 27, 6:30 PM and Wednesday, Oct. 28, 10:30 AM and the "live" portion can be attended on the campus of Missouri Baptist University in Moscow Mills or by Webinar from various locations throughout the district. To set-up a location, RSVP and further details, contact MOD Leaders Jill Walker and Mary Sue Thompson at modleaders6060@gmail.com.

CAP Grant Deadline - Oct. 15

This Thursday, October 15th is deadline for all requirements and submission of CAP Grant applications. For further information, please contact Grant Co-Chairs Howard and Kate Schwadron, 314- 497-4754 or rotary6060.grants@gmail.com. Grant recipients will be announced later this month.

Rams' Rotary Football Day For Polio

Although the results on field are disappointing, I trust you will support this fellowship event to promote the "End Polio Now" campaign. Similar to our annual day at Busch Stadium, The St. Louis Rams have invited us to hold a "Rotary Day with the Rams" in conjunction with their game against the New Orleans Saints on Sunday, November 15, 2009. The event will supplement our fundraising for the Gate's Polio Plus Challenge. The Rams are matching funds that we raise in conjunction with ticket sales. In essence, we will raise about \$10.00 per ticket - the more we sell, the more "End Polio Now" benefits.

In addition, the Rams will give each club that sells 50 tickets or more, an autographed Rams replica jersey and scoreboard recognition. We have also acquired one of the "Sergeant's Select" Jack Daniel's Single Barrel bottle of Tennessee whiskey. Every Rotarian that purchases one of the first 100 tickets will have their name entered into a drawing for the bottle of "Sergeant's Select".

The Rams Promotion Flyer & Order Form has been sent to club presidents, assistant governors and district leadership information is available as a Quick Link: Rotary Day - Rams. See you at the Dome!
